Additional Information to Consider Prior to Studying Abroad:

- Students are not permitted to take more than 12 total combined credits from the business core and major field during their study abroad experience.
- Students are not eligible to earn specific course credit if the prerequisite from MSU and host institution has not been satisfied.
- **Business** courses taken during study abroad will return to MSU as transfer credits. In order for the credit to be transferred, a minimum of a 2.0 must be earned in each course.
