Transfer Application Process
Students wishing to apply for transfer student admission to MSU as a Broad major must complete the university application process through the MSU Office of Admissions (www.admissions.msu.edu). There is no separate Broad application for transfer students.

Specific Requirements for Transfer Students
(For the following degree-granting majors: Accounting, Finance, Human Resource Management, Management, Marketing, Supply Chain Management. Hospitality Business has separate requirements.)

Students may be admitted directly to the Broad College (Business Admitted major) or to MSU with a Business Preference major.

Business Admitted Requirements
- 28 or more cumulative transfer credits
- Completion of College Precore Courses (CSE 101, MTH 103/124/higher, WRA 101-195H) with 3.5 GPA across these courses, with no individual grade below a 3.0 in these three courses
- Minimum cumulative GPA of 3.5 across all institutions

Complete official transcripts are required for direct admission to the Broad College (Business Admitted major).

Business Preference Requirements
Students with fewer than 56 credits who are not eligible for Business Admitted will be considered for admission as Business Preference. Preference will be given to students who have completed the College Precore Courses and have a 3.0 minimum cumulative GPA across all institutions.

Students transferring 42-55 credits should be making progress in the following courses:
CSE 101  MTH 124/higher  WRA 101-195H  BUS 250
ACC 201  ACC 202  EC 201  EC 202

Business Preference students will apply to the Broad College, and then a degree-granting major after matriculating to MSU.

Per MSU policy, students with 56+ transferable credits who do not meet the requirements for Business Admitted cannot be admitted to MSU as Business Preference.

Determining Transferability of Courses
